### State News Items.

#### Ketchum at Liberty.

John W. Ketchum, for the past few  
weeks confined in the Chittenden  
county jail at Burlington awaiting  
bail on a charge of complicity in the  
wrecking of the Farmers' National  
Bank of Vergennes was taken to that  
city last week by George E. Johnson,  
clerk of the United States court, and  
Deputy United States Marshal L. A.  
Drew, of Burlington. Bail in the sum  
of \$10,000 covering both indictments  
against Mr. Ketchum was furnished by  
the residents of Vergennes and  
vicinity.

#### Mussey Pardoned.

The president has pardoned Charles  
W. Mussey former cashier of the  
National Bank of Rutland, Vt., who  
was convicted last year of the misap-  
plication of \$100,000 of the funds of the  
bank and sentenced to seven years in  
the House of Correction. It was not  
shown that Mussey benefited by the  
misapplication of the funds but he  
had permitted a friend financially in-  
responsible to overdraw to the amount  
stated. This showing together with  
the fact that he is critically ill, induced  
the president to grant his application  
for pardon.

#### Womans Relief Corps.

The annual session of the Womans'  
Relief Corps of the department of  
Vermont was held in the Masonic  
Temple hall in Burlington at the same  
time of the G. A. R. encampment, June  
19th. The meeting was one of the  
most enthusiastic in the history of the  
order. About 200 delegates and  
members representing the 71 corps  
were present. The following officers  
were elected; president, Sarah F.  
Hovey of St. Johnsbury; senior vice  
president, Hattie Palmer of Underhill;  
junior vice president, Mary B. Good-  
win of Wells River; secretary, Nellie  
B. Smythe of St. Johnsbury; treasurer,  
Delia Ranney of St. Johnsbury; chap-  
lain, Callista B. Range of Brattleboro;  
counselor, Olive F. Puffer of Benning-  
ton; inspector, Olive Wheelock of  
Montpelier; patriotic instructor, Laura  
Lampson of Springfield; press corre-  
spondent, Edna Jewett of Swanton.

### General News Items.

#### Train Wrecked.

Sixteen persons were killed and  
about fifty seriously injured in a wreck  
of train No. 3, the west-bound  
Wabash limited, nine miles west of  
Peru, Ind., last Wednesday morning.

#### Tried in the House of Lords.

Earl Russell, the British nobleman,  
who came to America to procure a  
divorce so as to marry another woman,  
has been indicted and will be tried  
before his peers in the House of Lords.

#### Keller's Assailant Convicted.

The trial of Barker, who shot Clergy-  
man Keller, as he alleged, because  
Keller outraged Mrs. Barker, was  
convicted at Jersey City of assault  
with intent to kill. The court would  
not admit evidence bearing on the al-  
leged assault, as a justification for  
shooting. Barker has not been sen-  
tenced. The case goes to the higher  
court.

#### Important Surrender of Rebels.

Gen. Cailles, with 650 men and 500  
rifles, surrendered to Gen. Sumner at  
Santa Cruz, Luzon, Monday. The  
force entered the town with colors  
flying and deposited their arms.  
They then took the oath of allegiance.  
One American deserter, who was with  
Cailles, was put in irons. This force  
was the largest remaining in the field.  
All the Filipinos now held as prisoners  
will be released.

#### Adelbert Hay's Sad Death.

A sad accident at New Haven early  
Sunday morning resulted in the death

of Adelbert Hay, son of John Hay,  
secretary of state. The young  
man was there to attend commence-  
ment. Late at night he went to his  
room in the hotel and in some manner  
unknown fell out the third story win-  
dow to the pavement below, killing  
him instantly. He was a man of great  
promise. As consul at Pretoria dur-  
ing most of the Boer war, he had  
made a fine record. He was about to  
become private secretary of the pres-  
ident.

#### Great Flood in West Virginia.

A cloudburst caused a very disas-  
trous flood in the Pocahontas coal  
region in West Virginia Sunday. A  
valley, flanked by high hills through  
which a stream ran, received such a  
copious downpour of rain that the  
valley was almost filled with water.  
Several small villages, Keystone with  
a population of 2000 being the largest,  
were flooded and many of the build-  
ings swept away. The loss of life was  
heavy. About 60 are known to have  
perished. Probably the property  
damage will exceed a million dollars.  
The railroad and mining interests  
were the principal losers. The heavy  
rain did much damage all through  
that locality.
